Instructors:

In Training

Ronda MacKenzie-Cooper, BA, MA, CHTP/I, is a counsellor with over 30 years of experience. She specializes in work with trauma & relationship enhancement. As a holistic practitioner, Ronda has witnessed first-hand how using HT can assist individuals, couples & families in addressing a multitude of issues in the physical, social/emotional, mental & spiritual realms.

Supervisor

Beverley Worbets, RN (retired), BA, CHTP/I has expanded her nursing practice these past 20 years to include Healing Touch (HT), both as a practitioner and instructor. HT is an integrative therapy that Beverley believes beautifully augments the present day medical model of health care. She has witnessed firsthand the restorative powers of HT with all types and ages of people and animals. Bev's energetic, humorous approach allows for ease when learning or receiving HT. She is keen and committed to sharing her HT expertise in her private practice and volunteer work.

Disclosure: Beverley & Ronda are Instructors of the Healing Beyond Borders HTI Healing Touch Certificate Program and have the right to use the intellectual property of the Healing Beyond Borders HTI Healing Touch Certificate Program Course of Study.

Healing Beyond Borders is the professional, non-profit education, credentialing and membership organization for Healing Touch, established in 1996.

Healing Touch ...
a relaxing, nurturing energy therapy

Course Description

The skill of completing an intake interview that identifies patterns of behaviors for which Healing Touch techniques may be useful in assisting a patient to re-pattern their energy field is acquired. Healing Touch techniques learned in the Foundation course are integrated into applications that assist in re-patterning spinal health. The appreciation of Healing Touch progresses to a deeper level with the acquisition of a technique to assist the patient in expanding their heart energy.

Prerequisite: Completion of the previous course

- Foundations of Healing Touch

Course Objectives:

The learner will be able to:

1. Demonstrate the ability to remain grounded, present, and heart-centered while working in the energy field.
2. Conduct an intake interview with a plan toward intervention.
3. Recognize that one's previous experiences may have an impact on one's physical, emotional, mental and spiritual health.
4. Assess the status of the chakras and biofield.
5. Document the process of re-patterning and balancing a patient's biofield.
6. Apply techniques that support the health and comfort of the back.
7. Describe how the Healing Beyond Borders Code of Ethics, Standards of Practice and Scope of Practice relate to their developing as a Healing Touch practitioner.

Course Content

- Creating and supporting a healing environment
