**Instructor # 1: Catherine Awai CHTP/I**

Catherine's formal training with energy work began in 1995 when quite unexpectedly she found herself in a Healing Touch class. There began a journey of study, of deepening into herself and of becoming passionate about empowering and supporting others through the teaching and offering of the skills she has developed. Catherine has worked full time in the field of energy healing for over 20 years. For seven years she directed the Healing Pathway, a spiritually based healing program. Catherine teaches Healing Touch Levels 1 to 5 and has taught for the Intuitive Mind program. She lives in Duncan, BC and offers sessions both in person and at a distance.

**Instructor #2 :** Jeanne Balcom, Retired Nurse, CHTP/I

Jeanne's journey in Healing Touch began in 2002. She was passionate since the beginning to have this approved within the hospital setting. She became an Instructor in 2006, teaching in various provinces. Retired from her nursing career, she continues her private practice of Healing Touch and Reflexology in Dieppe, NB.

Her passion to promote Healing Touch as an Instructor continues. She teaches courses 1-4 and training to teach Course 5. She supports many communities in Eastern Canada, as mentor and Instructor.

Healing Beyond Borders is the professional, non-profit education, credentialing and membership organization for Healing Touch, Established in 1996.

## Healing Touch Is...

### Course Description:

Completed mentorship activities are reviewed and evaluated to assist the students in identifying activities that can help them to grow in their professional practitioner role.

### Prerequisite:

- o Foundations of Healing Touch
- o Energetic Patterning and Clinical Applications
- o Advanced Healer Preparation
- o Case Management and Professional Practice

### Course Objectives:

The learner will be able to:

1. Analyze personal strengths, challenges and growth opportunities related to the practitioner role.
2. Evolve in the role from Healing Touch Student to Practitioner.
3. Share specific practicum learning to enhance personal and professional growth.
4. Correlate research studies to case situations and choices of treatment.
5. Present clinical cases to groups of professional care providers.
6. Incorporate into one's professional practice the Healing Beyond Borders Code of Ethics, Standards of Practice and Scope of Practice required of a Healing Touch practitioner.

### Course Content:

- Case study presentation
- Clinical application refinement
- Presentation and evaluation of practicum experiences including healing modalities, reading program, mentorship and community service
- Identification of strengths and growth opportunities for the Healing Touch Practitioner

### Course Information

Requirement for class completion and CE Credit:

- Attendance of entire course with supervision
- Practice with Instructor feedback
- Completion of Evaluation

AHNA: 24 CNE contact hours
