In Training

Ronda MacKenzie-Cooper, BA, MA, CHTP/I, is a counsellor with over 30 years of experience. She specializes in work with trauma & relationship enhancement. As a holistic practitioner, Ronda has witnessed first-hand how using HT can assist individuals, couples & families in addressing a multitude of issues in the physical, social/emotional, mental & spiritual realms.

Supervisor

Ginny Mulhall, BSc, BPT, CHTP/I, a retired Physiotherapist, began using Healing Touch in her work at Vancouver's St. Paul's Hospital (Palliative Care, Geriatrics and Rehab) in 1991. The integration of HT with traditional medicine has been of special interest to her. Ginny developed a private practice and became an Instructor to share her passion for this heart-centred way of being. Her current focus is healing work within her community. Ginny is a volunteer with VHS Hospice in Vancouver.

Disclosure: Ginny & Ronda are Instructors of the Healing Beyond Borders HTI Healing Touch Certificate Program and have the right to use the intellectual property of the Healing Beyond Borders HTI Healing Touch Certificate Program Course of Study.

Healing Beyond Borders is the professional, non-profit education, credentialing and membership organization for Healing Touch, established in 1996.

Healing Touch ...
a relaxing, nurturing energy therapy

Course Description

The skill of completing an intake interview that identifies patterns of behaviors for which Healing Touch techniques may be useful in assisting a patient to re-pattern their energy field is acquired. Healing Touch techniques learned in the Foundation course are integrated into applications that assist in re-patterning spinal health. The appreciation of Healing Touch progresses to a deeper level with the acquisition of a technique to assist the patient in expanding their heart energy.

Prerequisite: Completion of the previous course

- Foundations of Healing Touch

Course Objectives:

The learner will be able to:

1. Demonstrate the ability to remain grounded, present, and heart-centered while working in the energy field.
2. Conduct an intake interview with a plan toward intervention.
3. Recognize that one's previous experiences may have an impact on one's physical, emotional, mental and spiritual health.
4. Assess the status of the chakras and biofield.
5. Document the process of re-patterning and balancing a patient's biofield.
6. Apply techniques that support the health and comfort of the back.
7. Describe how the Healing Beyond Borders Code of Ethics, Standards of Practice and Scope of Practice relate to their developing as a Healing Touch practitioner.

Course Content

- Creating and supporting a healing environment
- Assessment skills and energetic patterning
- Clinical applications of energetic interventions
